

Columbia Plateau Trail - Trail Development

This project consisted of the improvement of approximately 15 miles of trail surfacing, trailhead access facilities, and other miscellaneous items of work.

Need: This 20-mile section contains four tunnels and 4 trestles and is considered by many to be the major draw of the entire 130-mile trail.

Fund Source: State Building and Construction Account, Grant From DOT.

Parks Project Team: Parks Development Service Center – Eastern Region

Cost: State and County Permitting Costs	\$10,635
State and County Required Design Costs	\$42,871
