

## Things to remember

- Pets must be on a leash (no longer than eight feet) and under control at all times.
- There is a 10-night camping limit May 1 through Sept. 30, and a 20-night limit the remainder of the year.
- Moorage is limited to seven consecutive nights.
- Quiet hours are from 10 p.m. to 6:30 a.m.
- Store food and garbage when away from your boat, campsite and picnic area. Storage containers are available from park staff.
- Do not feed or approach the wildlife.
- Registration required after 1 p.m.
- Firewood collection is prohibited.

The **Discover Pass** is required to be displayed on vehicles for day visits to state parks and access to other state-managed recreation lands. The pass provides access to millions of acres of parks, wildlife areas, trails, natural areas and water-access sites. The annual pass is transferable between two vehicles.

- Annual pass: \$30
- One-day pass: \$10

(transaction and dealer fees may apply)

The Discover Pass can be purchased online, by phone or in person. For details, visit [www.discoverpass.wa.gov](http://www.discoverpass.wa.gov) or call (866) 320-9933.

**Thank you for supporting Washington state recreation lands.**

Washington State Parks

# Blake Island

## Marine State Park

EMBRACE YOUR NATURE

[www.parks.state.wa.us](http://www.parks.state.wa.us)

## Welcome to Blake Island Marine State Park

Blake Island is a densely wooded island accessible only by boat. Visitors can view Puget Sound, ferry boats on the water and the lights of Seattle only a few miles away.

### Tillicum

Visitors can enhance their excursion to Blake Island at Tillicum's great cedar longhouse. Guests are invited to savor a unique Northwest Coast Indian dining experience featuring award-winning salmon baked on cedar stakes over alder fires, followed by a Northwest Coast Indian style presentation. A schedule and sign-up board for dining and a gift gallery are located in the longhouse. For more information, call (206) 623-1445.

### Facilities

Blake Island Marine State Park offers picnicking, boating, fishing, hiking and beach exploration. For overnight campers, there are 44 standard campsites (32 during off-peak season), 12 primitive (during off-peak season) and three on the Cascadia Marine Trail. There also are about 1,300 feet of moorage dock and 24 moorage buoys. A perimeter road circles the entire island, and there are 5 miles of beaches.

For shelter or group camp reservations, call (888) CAMPOUT or (888) 226-7688.

The park offers a group camp which includes an Adirondack shelter with bunks for eight guests and a grassy area for tents. The camp is reservable year round online at [www.parks.state.wa.us](http://www.parks.state.wa.us) and by calling (888) CAMPOUT or (888) 226-7688.

### Plants and animals

Due to the moist climate, vegetation grows rapidly on the island. Vegetation includes a wide variety of native Northwest trees and shrubs. Some trees and shrubs were imported by Mrs. Trimble and are still growing on the island today. Wildlife seen in the park includes deer, chipmunks, racoons, river otters, mink, and many types of birds, including bald eagles.

### Pack-it-in, Pack-it-out

Please take your garbage and recycle items with you, and properly dispose of them at home or at a mainland disposal site. If you need a plastic bag for your debris, just ask a ranger, who will give you a bag to help you pack it out.
