Good afternoon –

Washington State Parks has completed evaluation of responses to RFQ 325-374, for a consultant to assist with the Dry Falls Visitor Center Renovation Contract Documents Project.

State Parks now announces that the firm identified below is the Apparent Successful Consultant (ASC), and that we intend to form and execute a contract with them:

Design West Architects
905 W Riverside Ave, Ste 605
Spokane, WA 99201

Experience has shown that the information most sought by proposing consultants in partnership with the ASC is the evaluation scoring summary, which is provided below for your convenience.

Consolidated Scoring – RFQ 325-374 – Dry Falls Visitor Center Contract Documents				
Firm Name	Project Approach (45 points)	Previous Experience (30 points)	Project Team (25 points)	Total Score
Design West Architects	35.25	25.75	21	82.00
FFA Architecture & Interiors	32.75	20.75	17	70.50
Walker Consultants	29.75	19.25	15.25	64.25

Washington State Parks appreciates your interest in providing service to the State.

Sincerely –

~Susan
