

Lake Wenatchee Sno-Parks Report

Sunday 03/09/2025 7 am 29 degrees 0" new snow 17" max snow depth

General Information:

Good morning skiers,

Due to declining conditions and connectivity on the trails only North Park, South Park, and Kahler Glen were groomed this morning.

As mentioned, due to the conditions and visitation, **TODAY will be our last day of grooming for the season for all trails.** After Sunday, signs will slowly be removed from the Sno-Park systems and transitioned back to our summer operations. This will be the last grooming report of the season.

We had a good winter season, of course more snow would've been great, but cold temperatures prevented an early end of season. This is many people's favorite season, including ours, so it's always hard to write these end of season reports. But we're also looking forward to seeing the migrating birds back to their summer homes, hiking in the mountains, and relaxing at the South beach.

XC Trail Descriptions

All trails groomed with full skate lane and single track.

Lake Wenatchee — South Park and Kahler Glen — 9.6 mi / 15.4 km

The Nason Ridge Sno-Park at Kahler Glen and the South Lake Wenatchee Sno-Park have approximately 15.4 k of groomed, interconnecting trails. The South State Park has 9.3 k of trails which include a series of 1–3-kilometer loops and longer runs through forest and along lakeshore. Kahler Glen Golf Course trails provide 6.1 k of great views, snow conditions, and access to the Nason Ridge trails. These trails are continuous with the Nason Ridge trail system.

Nason Ridge (Upper & Lower Nason) — 12.4 mi / 20 km:

This 20-kilometer groomed trail system begins at the Nason Ridge Sno-Park at Kahler Glen. (*Nason Ridge can also be accessed at the South Lake Wenatchee Sno-Park adding 2 k.*) Lower Nason is 7 k of groomed rolling hills. At 5 k on the Lower Nason Trail, a challenging 13.7 k loop option begins Upper Nason. Upper Nason climbs 1,500' to access 5 k of rolling, open, ridge-top terrain with spectacular views of Lake Wenatchee and the surrounding Cascade Mountains.

Lake Wenatchee — North Park — 3.4 mi / 5.5 km

The groomed trails in the North Park area provide 5.5 k of scenic trails which loop through the campgrounds, follow the river and lake shores, and run through quiet stretches of forest.

Chiwawa Sno-Park — 7.0 mi / 11.3 km

This Sno-Park offers 11.1 k of groomed trails: the See and Ski 7.6 k trail and the Squirrel Run 3.5 k trail. The See and Ski and Squirrel Run connect 3 k from the parking lot by crossing the Chiwawa Loop Road, creating a loop. Both trails pass through beautiful forest; the See and Ski has great views of the Wenatchee River. Additionally, the **ungroomed** Flying Loop provides a challenging 10 k marked ski route. Dogs are allowed on the XC ski trails only at the Chiwawa Sno-Park, after 10am.

Snowshoe Trail Descriptions

Over 12 miles of volunteer built and maintained Snowshoe Trails.

Please stay off groomed ski surfaces for the safety of skiers and to keep groomed trails of high quality, except for marked trail crossings.

Message from the Snowshoe Trail Volunteers: Please use snowshoes on the trails to prevent postholes. Fixing postholes takes a significant amount of time. This is especially true on the Nason Ridge trails. Thank you for your cooperation. Thanks to all the volunteers for all their hard work!

Lake Wenatchee South Park — 2.5 mi loop, with possibility to access Nason Ridge and Kahler Glen

A 2.5 mi loop and a route to Nason Ridge for the more adventurous. The loop begins at the lake beach and follows the Wenatchee River downstream. A half mile down the trail a 200 yard “spur out-and-back trail” puts you at the confluence of Nason Creek and the Wenatchee River. Shortly after, the trail enters a Ponderosa Pine / Douglas Fir Forest where evidence of wildlife is abundant. After a road crossing, you will be faced with another intersection. Taking a right will continue your lake loop adventure. Taking a left will bring you to the Kahler Glen trail networks. Further down the trail a turn off to gain access to Nason Ridge Snowshoe Route begins 1.3 mi down the trail where

panoramic views of the valley are to be had. The trail eventually makes its way back to the beach you once departed from.

Nason Ridge Snowshoe Route — 3 mi, out and back

From the Nason Ridge Sno-Park, snowshoe trails traverse the Kahler Glen Golf Course where a route to Nason Ridge can be found. Panoramic views begin at approximately 1.5 mi on Nason Ridge and it is approximately 3 mi to the ridgetop where it ends at the XC ski trail. Please *no walking* on any portion of the groomed ski surface. This trail is the most difficult snowshoe route Lake Wenatchee Area Sno-Parks offer, though the trail grade is similar to an old logging road. Nason Ridge Snowshoe Route can also be accessed from Lake Wenatchee South Sno-Park.

Lake Wenatchee North Park — 2.3 mi loop

Beginning at the Lake Wenatchee North Sno-Park the trail brings you down to the Wenatchee River. Travel upstream where there are many viewpoints to eventually bring you to the North Beach of Lake Wenatchee in about a half mile. Travel back into the forest along the now extinct glacier's terminal moraine, a small hill running along the lake's shore. Shortly in you'll find a snowshoe trail intersection. Take a right, heading up the hill to make it back to the parking lot in a half mile. Taking a left will add an additional 1.3 mi where you will venture up and further along the rolling terrain.

Chiwawa Sno-Park — 1.5 mi or 3.8 mi semi-loop

Rockridge Snowshoe Trail is a 1.5 mile or 3.8 mile semi-loop snowshoe trail that begins at Chiwawa Sno-Park trailhead, near the Squirrel Run XC ski trail. You will find yourself within a Ponderosa Pine forest that meanders uphill at a moderate rate. You'll cross along natural drainages and cross the XC ski trail a couple times. Along the trail you'll see massive boulders that were placed by ancient flooding and glaciers. The trail ends at the top where views of nearby mountains and forests can be taken in; a 600' elevation gain with great views.

150' Sled Hill

Will typically be groomed Thursday through Monday.

Located within Lake Wenatchee South Park. A moderate slope, about 150' long. Good for families.

Ice Rink Description

Temperatures and snowfall may affect operating hours. Always check the daily grooming report to confirm the rink is open.

The Nason Ridge Ice Rink is a 100' x 200' ice rink operating at the Nason Ridge Sno-Park where it offers free rentals for all to enjoy. The rink is located at the Sno-Park parking lot. Follow signs to gain access to an easy walk path to the rink. Once at the rink there is a small storage shed at the rink entrance where skates and balance assisting device are free to use. This is a new amenity that the Sno-Park offers. Please sign in so we can track usage--this will allow us to make improvements in the future. Please read all the rules and the bulletin board at the ice rink prior to enjoying your time on the ice.

This rink is maintained and operated by local volunteers with a passion for winter recreation. Please respect all rules, closures, and the equipment they have donated for public use.
