

Park Area Closures – Forest Health Project

Project Summary:

Beginning in April 2025 State Parks will complete a 340-acre forest health project (see map). This project will reduce wildfire risk and support a more resilient forest.

Project Dates:

Contract start date: April 2025

Contract end date: June 30, 2025

- Project start date is dependent upon ground moisture levels.
- Trail rehabilitation will continue throughout the summer months.

Project Impacts:

Trailhead closures (throughout project):

- McLellan
- Deep Creek

Centennial Trail Closure (throughout project)

- McLellan Trailhead to Carlson Road

Single Track Trail Closures (throughout project)

- Portions of Trails 25, 400, 402, 403, & 230
- Full closure of the Osprey Loop
