#### **Steptoe Battlefield Facilities**

- Four acre day-use site in Rosalia
- Interpretive marker
- Interpretive panels
- Picnic table

# How State Parks' Plans

# Classification and Management Planning

(CAMP)

# Why plan?

- Provides a current assessment of park assets and future needs
- Provides direction for land use, trails, interpretation, and natural and cultural resource protection
- Strengthen existing community partnerships and identify new partnerships
- Also doing plans for Palouse Falls, Lyons Ferry, Lewis and Clark Trail and Fields Spring
- Have done plans for nearly 100 state parks

# **CAMP End Products**

#### Land classification

 Long-term park boundary

 Park management plan

Steptoe Butte State Park

### Land Classification

- Similar to county or city zoning
- Internal to the park and sets use and development intensities
- State park classifications
  - Recreation
  - Resource Recreation
  - Heritage
  - Natural

### Long-Term Park Boundary

- Properties that further agency's recreation and conservation mission
- Identifies agency-owned properties not essential to park mission

South Whidbey Preliminary Land Classification Recommendation

#### Park Management Plan

- Responds to issues and concerns expressed by you and agency staff
- How the agency intends to manage the park's natural, cultural and recreational resources

Larrabee State Park Classification and Management Planning (CAMP) Project

Stage 3 – Preliminary Recommendations June 10, 2014

Larrabee State Park CAMP Project Stage 3 - Preliminary Recommendations

#### **CAMPs Four Stages**

Stage 1. Identification of park issues 🤙

**Stage 2.** Development of alternatives to address issues

**Stage 3. Preliminary staff recommendations** 

Stage 4. Final recommendations to the Commission

### Stage 1 - Issue Identification

What is an issue?

- Anything <u>you</u> think is important for us to consider in our plans
- Anything <u>agency staff</u> think is important and want to communicate to you

South Whidbey State Park Public Meeting

#### Stage 2 – Develop Alternatives

Exploration of different approaches to address issues such as . .

- Native plants and noxious weeds
- Historical and cultural features
- Recreational use
- Existing and future facility needs
- These alternatives are presented in the second public workshop

The road to Steptoe Butte

#### Stage 3 – Preliminary Recommendations

Combination of the approaches explored in Stage 2 applied to . . .

- Land classification
- Long-term park boundaries
- Park management plan
- The preliminary recommendations are presented in the third public workshop

#### Stage 4 – Final Recommendations

Final recommendations . . .

- Land classification
- Long-term park boundaries
- Park management plan
- The final recommendations are presented at a regularly scheduled meeting of the Parks and Recreation Commision

#### Now It's Your Turn

- Are there new facilities you'd like to see?
- Are there natural resources we need to better protect?
- What are you doing for recreation at the site?
- Would you like to volunteer or be part of a Friends groups?
- Are their neighboring properties with shared conservation or recreation objectives?

#### Let Us know

- Stations set up for each park
- Write down your issues, concerns and questions
  - Sticky note
  - Comment box
  - Tell a staff person and we'll write it down
- One comment per sticky note please

#### Reconvene

#### **Next Steps**

- Post meeting materials and comments on website
- Develop alternatives to address issues identified tonight and through submitted comments
- Review alternatives in our next public workshop
- Other CAMP planning happening in the area
  - Palouse Falls State Park
  - Lyons Ferry State Park
  - Lewis and Clark Trail State Park

### Adjourn

- Email additional comments to Randy Kline, Project Coordinator, at <u>randy.kline@parks.wa.gov</u>
- Visit the project website at <a href="http://bit.ly/SteptoePlan">http://bit.ly/SteptoePlan</a> or search on "Steptoe Butte planning"
